

# The Classic Pro Cast Net

## THE CLASSIC PRO SERIES

## DESIGNED FOR GUIDES AND SERIOUS FISHERMEN

- Highest Quality Cast Net Available
- 1-1/2 lbs. of weight per foot
  - Sinks much faster than competitor's nets
- Plastic coated steel weight
  - Coating helps prevent rough edges that can snag and damage the net
  - Won't mar the deck of your boat
  - Non-toxic steel as opposed to lead
- Double Lead Line
  - Gives extra durability for heavy usage
- 30 feet of 5/16" Hard Lay Dacron Throw Line
  - Won't tear up your hands with heavy use
- 2" Horn
  - Allows the net to open smoother
- 120 lbs. test Braille Lines
- 10/0 Heavy Duty Ball Bearing Swivel
- Double knotted monofilament netting
  - Keeps small tears from expanding
- Six panel construction
  - Allows for a "True Spread," i.e. a 4 foot net opens to a full 8 foot spread
- Hand tied Braille Lines, triple tied & locked at each mesh
  - Adds to the net's durability
- Packaged in a reusable clear plastic bait bucket
